

Welcome to See Um Smile Playhouse! We're very excited to have your little one join us! For the first few mornings, please allow extra time at drop off so you're not feeling rushed. A simple good bye routine is recommended each morning. We find that if a parent lingers in the classroom it makes it more difficult for the child to transition. If you have any questions or concerns, please feel free to speak with us.

Please bring the following items on your child's first day. Please label all items with your child's name.

ITEMS TO BRING ON YOUR CHILD'S FIRST DAY

Infants
